1. These Special Terms and Conditions are supplemental to the General Terms and Conditions. In consideration of us offering the Service, you agree to subscribe to the Service subject to the General Terms and Conditions and these Special Terms and Conditions.
2. Two Day Passes will be incurred if customer has roamed to 2 different roaming destinations on the same day and data service has been incurred on both roaming destinations.
3. Only one Day Pass will be incurred for customers who have used roaming data service from 2 – 3 different roaming operators at the same roaming destination on the same day.
4. Customers will be charged for one Day Pass even with a small volume of data usage if they have subscribed the Day Pass Service.
5. Once the Day Pass service activated, the data usage for the Day Pass countries will be charged as Day Pass charging scheme and the customer is not allowed to choose Global Call's standard volume based pay-as-you-go tariff scheme.
6. You understand and agree that once you have subscribed to the Service, you must pay the Daily Fee upon your use of Mobile Data at the Destinations unless you have unsubscribed to the Service. You can unsubscribe this Service by calling our customer service hotline at 2915 1557.
7. The Service applies to Roaming Mobile Data usage such as Blackberry Services, Internet Browsing, Roaming MMS, WAP and tethering but excludes BitTorrent, Peer to Peer file sharing (such as FTP file sharing and webcam applications) and Peer Casting type applications (such as PPLive and PPStream). Global Call reserves the right to suspend or terminate the Service if customer breaches this clause.
8. By subscribing to the Service, customer will not incur any additional Mobile Data charges in Applicable Roaming Destinations, as his Mobile Service is automatically limited to Applicable Operators only. When he subscribes to the Service, he understands and agrees that he may only use the Automatic Roaming Services via those Operators at the Destinations as updated from time to time on Global Call's website for reference.
9. The actual experience of the Service will be affected depending on where customer roam and the roaming operator he roams with. This Service is not applicable to aircraft roaming/maritime roaming/satellite roaming.
10. If you use Mobile Data in other non-applicable destinations or with other operators, he will be charged according to standard roaming Mobile Data Charges with the operator.
11. The In-flight Day Pass for aircraft roaming service (“In-flight Day Pass”) is charged per SIM card, per day, per Applicable aircraft roaming network. You can use this Service to send/receive emails, text or browse the internet. A day means 00:00 – 23:59 HK Time at the Applicable aircraft roaming network

included in the Service.

12. If you are taking more than one flight and the flights are supported by the SAME aircraft roaming network within a Day Pass (00:00 – 23:59 Hong Kong Time), ONE Day Pass will be charged. If you are taking more than one flight and the flights are supported by the Different aircraft roaming networks within a Day Pass (00:00 – 23:59 Hong Kong Time), TWO Day Passes will be charged. So on and so forth.
13. In the event of any inconsistency between these Special Terms and Conditions and the terms and conditions set out in the General Terms and Conditions, these Special Terms and Conditions shall prevail.
14. Global Call reserves the right to change the Service and these terms and conditions at any time without prior notice. In the event of any dispute, our decision should be final.
